

# Modular Obstacle Course Jungle 19.5M

**Available in multiple themes: the modular obstacle course!**

The new modular obstacle course is 19+ meters long and perfect for your customers who are looking forward to a competition! Who will be the first to reach the other side of this inflatable obstacle course? Crawl, run, jump, climb and slide across the dual course in different themes. The course is equipped with fun 3D objects in style of the theme.

## **A versatile product!**

This obstacle course is a wonderful product: it is completely surrounded by nets and therefore meets the latest safety guidelines. The course consists of three separate inflatable parts: 13.5 meter obstacle course in 2 parts, that can be expanded with the 6m Jumping Balls inflatable. Modular design makes it easy to handle and transport. The inflatables come with blowers, anchoring material, transport bags and a clear manual. In short: a complete package for a complete experience.

## **For years optimal playing pleasure**

The obstacle course has been strengthened and stitched on several points. All JB products are made from strong, high quality PVC, for that reason they are durable and easy to keep clean. With this product you opt for years of optimal playing pleasure. With this inflatable obstacle course you will give your customers the day of their lives!

## **More than 15,000 customers also chose JB**

For more than 15 years we have often let people worldwide literally jump for joy. Our team of designers, developers and logistics staff delivers unique inflatable attractions in a grand way! Our customers are assured of our professional service and delivery. They also call us "creators of greatness."
