

Mega obstacle course jungle 46,5m

A truly spectacular attraction!

Do you want to impress your customers? No problem with this mega-size jungle obstacle course of no less than 46.5 metre long! This challenging obstacle course is available in an exciting jungle or castle design for the complete experience. Who rises to the challenge and is the first one to make it to the other side of this inflatable run with a jungle theme? Win the battle by crawling, running, jumping, climbing and sliding as fast as you possibly can on this double lane track. It will make a huge success of every sports day or hexathlon!

Multi-functional: can also be rented out in parts

The inflatable obstacle course is easy to set up in no more than 30 minutes. The Mega Run Jungle measures 46.5 metres in total, but consists of three components: the Base Jump, the Jumping Balls and the Adventure Track. This means it can also very comfortably be rented out in individual elements. In other words: it is extremely multi-functional! The inflatable attraction is delivered in four parts, which makes transport, setting up and taking down easier. We have thought of it all. The inflatable run is conveniently supplied including 6 blowers, anchoring material, a transport bag and a clear manual. The complete package for a fantastic experience.

Always quality and warranty

We always supply you with premium quality PVC. JB inflatables have several reinforced tension points and are multiply stitched to make them durable and very easy to keep clean. This obstacle course comes with a 5-year warranty, enabling you to offer your customers a product with years of optimum playing fun.

Purchase the Mega Run Jungle and deliver the experience your customers will remember as the day of their lives!

More than 15,000 customers are already jumping for joy
