Treat visitors young and old to a memorable day with this inflatable sports arena by JB-Inflatables.

Convenience all around

Easily set up the sports arena in no more than 10 minutes. Use it, for instance, during a hexathlon, sports activity or other event. The item comes as a single unit, which makes it easy to transport. The sports arena can be supplied with four elastic bands (at additional costs), for players to chain themselves to. This makes the game more challenging, because of the restricted movement. The walls are completed with netting to guarantee safety, but they also ensure the ball is not kicked out of bounds.
