

Modular Obstacle Course Standard - Gate Run

Create your unique modular obstacle course with the Standard Gate Run

Navigate through the gates of the Gate Run! This obstacle course element is a challenging hurdle. Wriggling and wrestling through the wall, you'll reach the next obstacle of the obstacle course. The Gate Run combines seamlessly with other elements. The more parts, the longer the obstacle course. The Modular Obstacle Course Standard - Gate Run consists of a single part easily connectable to any bouncy castle and other obstacle course parts from JB. Adding an extra component to an inflatable obstacle course instantly creates a unique obstacle course. The more elements, the longer the obstacle course. A challenge suitable for all ages!

Easily Order Obstacle Course Components Online

You can expand the parts on the 13.5- and 19-meter obstacle courses. By combining and merging them with a JB obstacle course, you create your unique inflatable obstacle course. All obstacle course elements are complete with a blower upon delivery. Made from high-quality PVC material, it's easy to clean and suitable for many users. This ensures years of enjoyment from your bouncy castle obstacle course!
