

Softplay Set XXL Standard (29-piece)

Buy the Softplay Set XXL Standard at JB Inflatables

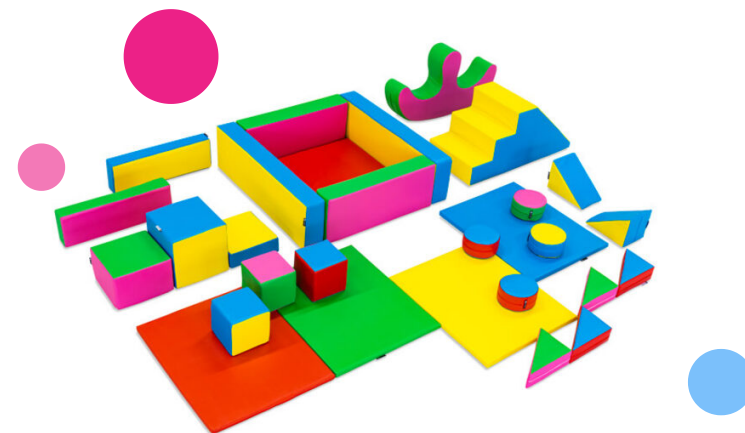

With the Softplay Set XXL Standard (29 pieces), you'll experience even more playing fun! This comprehensive set consists of 29 Softplay play blocks in various sizes and shapes. Children can let their creativity run wild and build various structures and creations with these cheerful foam blocks. After playing, you can easily store the complete set in the accompanying convenient storage bag.

Quality and warranty on Softplay accessories

This 29-piece set contains various softplay playing elements in different sizes, including squares, rectangles, blocks, triangles, stack circles, and foam mats. We value quality and easy maintenance, ensuring that the Softplay materials last a long time. Additionally, we emphasize variety in the assortment. The composition and design of our Softplay set are therefore designed in-house. The cheerful colors are clearly visible on these striking play blocks!

Order unique Softplay play blocks at JB

We are known for our extensive range of bouncy castles and a wide variety of other inflatables and objects. With our own developed Softplay assortment, we provide a safe play environment where children can unleash their imagination and energy. Softplay is often found in daycare centers, restaurants, museums, and indoor play areas. Which Softplay set will you choose?
