

Softplay Gameset Standard (11-piece)

Get Your Comprehensive Softplay Gameset at JB Inflatables

Let the game begin! With Softplay accessories, the possibilities are truly endless; from small to large and from basic to extensive. This Softplay Gameset offers various game options, but of course, kids can also unleash their imagination. The set includes the following games: a hopscotch path, a mega-sized board game with a massive dice, stepping stones, and even Twister!

Order High-Quality Softplay Products at JB

With the Softplay Gameset Standard, you bring cheerful colors and eye-catching blocks into your home. This extensive Softplay set consists of 11 play elements in various sizes and shapes. Children can play for hours with these lively foam blocks. We value quality and easy maintenance, ensuring the longevity of the Softplay materials. After playing, you can easily store the complete set in the accompanying convenient storage bag. The Softplay Gameset is available in 9 different themes.

Professional Softplay for Sale from Europe's Leading Inflatable Manufacturer

For years, we have been known for our inflatables and everything inflatable. With our self-developed Softplay range, we offer a safe play environment where children can let their imagination and energy run free. Softplay is often found in waiting areas, restaurants, museums, and indoor playgrounds. Which Softplay variant appeals to you the most?
