

Aqua Run Marine 10m

Add to the water fun with this pool obstacle course

The Pool Run Marine allows you to create a wonderful experience on and in the water. This versatile pool obstacle course comes with beautiful details, such as 3D dolphins and cool prints. In addition, it offers enough fun playing options to deliver the experience your customers will remember as a great day. Can you imagine this unique water attraction floating in your pool?

Approved inspection to guarantee safety

For years, JB has designed and manufactured inflatable attractions that can safely be used by everyone. We will provide you with an approved inspection certificate (NEN-EN 15649:2009), a blower, a Bravo air pressure gauge, a log book and a clear manual for all attractions. Each of them comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the obstacle course stays in place, which means all it needs is a quick set up to get the party started.

JB's high quality demands

All water games we offer are made of strong, high frequency welded PVC material of 900 gr/m². This is our way of guaranteeing the quality of our products. In addition, the material has a useful protective coating that is resistant to influences of chlorine and other water properties. This ensures the products are durable and easy to keep clean to boot. The Pool Run Marine comes with a 1-year warranty.

Purchase this 10-metre Pool Run Marine and deliver the experience kids will remember as an adventure-filled day!

More than 15,000 customers also opted for JB

Ask our customers all about it: JB has made people around the world jump for joy for well over 15 years now. More often than not literally! We owe this to our team of designers, developers and logistic staff, because they supply unique inflatable attractions in a grand way, which includes our professional service and delivery. That is exactly why our customers tend to call us 'creators of greatness'.
